

OUR COMMITMENT TO THE HOME CARE INDUSTRY

FREE ACCESS TO ONLINE TOOLS TO KEEP YOUR CAREGIVERS AND CLIENTS SAFE DURING THE COVID-19 PANDEMIC

Self Assessment Questionnaire

To comply with CMS and State guidance, your agency can now have all your caregivers take a quick online daily health survey to assess if they are showing any symptoms of COVID-19, and track who responded, who didn't respond and who is at risk.

eLearning Courses

We are offering free access during this pandemic to our two online classes that cover Infection Control and Understanding COVID-19.

Provide your caregivers with useful information to keep them safe and prevent the spread of infection.
